Bishop Vann to Sign Construction Contract for Renovation of Christ Cathedral

??

Snyder Langston has been chosen to lead phase one of the Christ Cathedral renovation and transformation. The Most Reverend Kevin Vann, Bishop of Orange will formally sign the construction agreement with the general contractor, *Snyder Langston*, who has been selected to complete the renovation of the Christ Cathedral. This multi-year effort to transform the architectural masterpiece designed by acclaimed architect Phillip Johnson and dedicated in 1981 will begin this June and is estimated to be completed in October of 2018 and formally dedicated in early 2019. The partnership between the Roman Catholic Church and great architects and builders reaches back millennia and has given form to the most striking and magnificent structures ever created by human hands. The partnership to be forged with Snyder Langston will make real the inspiring vision of faith and architecture developed over the past two years by the faithful of the Diocese and the professional architects of Johnson Fain and Rios Clementi Hale Studios. **When:** May 23, 2017 11:30 a.m. – Signing Ceremony 12:15 p.m. – Eucharistic procession 12:45 p.m. – Carillon Concert **Where:** Inside the Christ Cathedral 13280 Chapman Ave. Garden Grove, CA 92840 **About Snyder Langston**: Established in 1959, Snyder Langston is a trusted builder to Fortune 500, mid-size, and start-up companies. The firm has evolved into a leader in the Western US, but maintains its strongest presence as one of Southern California's largest and most respected builders. Snyder Langston has successfully developed millions of square feet of space across virtually every real estate sector. Learn more at www.snyderlangston.com.
